

We are delighted to be able to tell you that following our very successful First AGM, Meopham U3A is now a fully-fledged branch with a ratified constitution!

We send a huge thank you to every one of you who came along to the AGM on 12th July. We had an amazing turn out – over 50% of our total membership - & the envy of our visitors from other local U3As!

During the AGM members were invited formally to validate & adopt

The Hall Fills

our constitution & elect an executive committee for 2016/7. The Trustees Report, Financial Statements etc. that were shared at the meeting & the constitution are available for you to read, should you wish on our website. Your executive committee, comprised of 16 of your fellow members, who have volunteered to support the smooth & successful running of the branch during its second year, is now in place. You can find out who they are & a little bit about them via the Members' Page of the website.

Our guest speaker was Pam Jones, who is Chairman of the Third Age Trust, the national representative body for U3As in the UK. Pam shared some interesting insights into her life as our National Chairman & her vision for the future development of the U3A movement in ever changing times.

We rounded off the proceedings with time for members to get together, & celebratory refreshments including a 'Birthday' Cake specially produced for the occasion!
