

Visit to the Ramsgate Tunnels

www.ramsgatetunnels.org

On a warm, sunny morning in November 2021, 18 people from Meopham U3A visited the Ramsgate Tunnels.

We sat in the sunshine outside the tunnel entrance drinking coffee and chatting, before the tour started at 11am. The guided tour lasted 90 minutes and was very interesting. There was a short video and then a walking tour of 1.25kms along the tunnels.

The guide was extremely knowledgeable and she explained in detail the history of the tunnels and the lives it saved during the Second World War.

Definitely worth a visit and a bargain at £6 per person
